Staging Window Times

Staging is where you will be divided into your groups and sent to your ring to compete. We recommend arriving 30-45 mins prior to your staging window to get checked in, and orient yourself with the tournament. Please listen, or check the staging area schedule boards, to see if your division has been called to staging. Scheduling may be called up to 30 minutes ahead of schedule if the day allows it. Please note; each staging window is an approximate time to be called to staging, our staging coordinators have multiple divisions to call within that 2 hour window. ALL 15+ older Black Belts will need to sign in at the Data Entry table and collect your judging magnet prior to our Black Belt meeting.
